## Water Account Information Sheet

### Delivery Information

**Residential Accounts** will be on a "Call-In Basis". Upon putting last bottle on cooler notify Mat-Su Water and your delivery will be added to the next Delivery in your area. There is a 3 Bottle minimum for deliveries, we recommend starting out with at least 4 bottles to allow for delivery time after last bottle is placed on cooler.

**Commercial Accounts** may be on regular delivery schedule or a "Call-In Basis" dependent on usage. Your delivery driver will work with you in regards to your delivery schedule. Delivery intervals may be adjusted after water usage is determined. Your delivery driver will inform you of any changes. There is a 3 Bottle minimum for deliveries, we recommend starting out with at least 4 bottles to allow for delivery time after last bottle is placed on cooler.

### Billing Information

#### Account Deposit

All new Bottled Water Delivery and Cooler Rental accounts will be charged a refundable deposit of \$40.00

#### Monthly Billing

When water is delivered the delivery driver will give you a delivery receipt noting amount of bottles picked up and dropped off. At the end of the month a statement will be sent to you noting Delivery Receipt Numbers and associated cost for that month.

#### Payment Options

You have multiple options in regards to payment options you can choose to have your monthly statement mailed to you or we can e-mail it if requested. You also may choose to have your account set up on automatic payment from your credit card. (We process on the 5<sup>th</sup> of the month following.

**Cooler Care and Operation**   Do not run HOT/COLD Coolers empty, the heating element inside of cooler will burn up within seconds after not having water.   Only use purified water in your cooler, account deposits will not be refunded if cooler is mineral fouled.   We recommend spraying Cooler Faucets with standard store bought Hydrogen Peroxide at least 1 time per month.   Annual preventative maintenance will be preformed on your cooler.   Service and adjustments must be done by MatSu Water only.
